MARYLAND PORT ADMINISTRATION SEAGIRT OPEN MONDAY DESPITE WEATHER

PAC will continue with its current plan to OPEN Seagirt Marine Terminal tomorrow, Monday, March 17, for normal operating hours. We are providing this information to allow you to plan accordingly.

This date is a contractual ILA Holiday for which PAC/Seagirt management had previously decided to provide service. If at all possible, we want to take advantage of this work day while keeping safety our first and foremost concern.

Please look for further updates if there is any significant changes in plan due to the weather.

Thank you
